The Faith & Freedom Conference is for the whole family. This is held on private property at the Christian Revival Center. We will have great speakers, fellowship and food prepared by our own staff. There are activities for the children along with music, speeches, fellowship and a bon fire. But while we are enjoying some good white Christian fellowship, we will not lose sight of the reason we are here, and that is to prepare ourselves and our family and build the strength of character needed to stand against those who wish to genocide our people.

The Christian Revival Center is located 15 miles from Harrison, Arkansas, which is only 70 miles south of Springfield, Missouri. Be sure to bring your spouse, children and young adults. ALL WHITE PEOPLE of good moral character are invited. Call 870-427-3414 for more information

\$55 for one - \$90 for the ENTIRE family

But if need be you and your family can come for **ANY SIZE contribution**. That's right even \$1 will get you in and around the most dynamic people in America. Pitch a tent on our spacious grounds, park an RV (no hook-ups), reserve a bunk in the men or women cabins for only \$10 a night. Of course there are plenty of motels in Harrison. Bring the whole family to this White Christian retreat.
